

FPIES VALIDATION MEETING, 7TH JUNE 2018, ATHENS, GREECE

Parallel Working Sessions

The working session rooms are all on the Mezzanine floor.

11.00-12.30	Three parallel groups – working session 1	
Session Focus		
The aim of this session is to have a general discussion on financing inclusive education systems challenges and opportunities and share some key ideas and thoughts between the countries.		
Session content		
There will be short inputs from two FPIES partner country teams taking quite different approaches to financing their inclusive education systems.		
This will be followed by group discussion around two questions:		
1. What are the opportunities and challenges in developing more inclusive financing?		
2. What are the strategies for building on the opportunities to overcome the challenges?

14.00–15.15	Three parallel groups – working session 2	
Session Focus		
The aim of this session is to collect participants' feedback on the draft Policy Guidance Framework (PGF).		
The plenary input directly before this working session will introduce the draft Policy Guidance Framework (PGF).		
The focus of discussion in this session will be the five PGF feedback questions:		
1. Is the Preamble and section on Financing Policy Elements clear? Have you any suggestions you have for improving these sections?		
2. Are the policy goals and objectives presented in the Policy Guidance Framework clear? Have you any suggestions for improving the section?		
3. Is the Self-Review Tool clear and easy to use? Please provide any suggestions for improving this tool?		
4. Is there anything else you want to add or delete?		
5. Have you any ideas on how you might use the Policy Guidance Framework in your country?
