# The Foundations of our Curriculum

The background of the slide features a hand holding a glowing blue globe with a white grid overlay. The globe is positioned in the upper left quadrant. To the right, there are several wavy, horizontal bands in shades of blue and purple, suggesting a sense of movement or flow. The overall aesthetic is clean and modern, with a focus on educational themes.

## Planning

- This project took a lot of planning.
- To start, we made plan of our two weeks.
- We then planned the design, the interior and the business cards.
- Then we made Gantt charts to show our findings

# Pupils' Innovating

**The future is NOW!**

We are planning Games Event to help us raise funds.

- Pupils in 3H Computing Science will be preparing and organising the event which we hope to aim at S1 S3 pupils.
- The event will run after the October week until Christmas every Wednesday lunchtime .
- It is anticipated that pupils will enter as team and will compete against other teams in a knockout competition .

This will cost £1 per person
